**Incident # 21-2057**

OSBORN, AIDAN

On 09/21/2021, I, Officer Aidan Osborn, was on duty in the City of Salida, County of Chaffee, and the State of Colorado. At about 2:08 PM, I was dispatched to the area of West Sackett Street and 'G' Street for a hit and run. The reporting party told dispatch a black Chevy pickup with a camper shell had struck a building and fled the scene. Another party on scene gave Dispatch the license plate to the vehicle as 606SWJ. Dispatch advised the plate registered to a 2009 red Chevrolet Silverado owned by Eric Coomer with a local address on Crestone Mesa Drive.

I arrived on scene shortly after Sergeant Lance Cliff. Sergeant Cliff spoke to a witness and several others at the scene of the crash. I was told by a female party that the vehicle involved in the crash had parked several blocks away and the driver had walked away on foot. The female party stated the driver had walked back towards 'F' Street from where the vehicle was parked.

I located the vehicle, a dark red 2009 Chevrolet with Colorado license plate #606SWJ, parked facing southbound in the 100 block of north 'D' Street. I observed broken glass and debris in the intersection of East Sackett and 'D' Street consistent with the glass that was at the accident scene. I observed the front passenger side of the vehicle had damage and debris on it that matched the masonry of the building that was struck. I took digital photographs of the vehicle while Chaffee County Sheriff's Deputy Scott Himschoot took photographs of the intersection. Deputy Himschoot remained on scene while Sergeant Cliff and I went to The Fritz restaurant. Sgt. Cliff had identified Eric Coomer (DOB 07/16/1970) as the owner based on witnesses from the crash scene.

I contacted Eric at the restaurant, Eric had a very strong odor of an unknown alcoholic beverage coming from his breath, he told me he had driven to work and parked his truck on 'D' Street. I asked Eric to describe his route to me and he stated he had come from home on Crestone Mesa, down towards downtown turned onto 'G' Street and then driven Sackett Street to 'D' Street where he parked. I asked Eric if anything had occurred during his drive and he said, "No." I asked Eric why there was damage to his vehicle, and he told he did not know. I asked Eric if there was anyone else who drove his vehicle and he said they may have. I asked Eric if he had consumed any alcohol since he had been at the restaurant. Eric advised he had several shots with his employee before they started prepping food in the kitchen. Sgt. Cliff arrived with us and stayed with Eric. I went inside the restaurant and contacted the employee, who I knew to be Grayson McKee (DOB 02/03/1994), he confirmed Eric's statement and showed me a bottle and two glasses that were out. Grayson stated they had several shots and began preparing food for dinner.

I went back outside and asked Eric to walk to his vehicle with me and retrieve the insurance information from his vehicle. We walked to it and Eric pulled the truck keys

from his pants pocket and opened the vehicle. I took a digital photograph of the insurance information. Eric continued to deny driving his vehicle and stated he did not remember hitting anything while driving to work.

Sgt. Cliff advised a witness, identified as [REDACTED], was standing on the sidewalk near where the truck struck the building. Sgt. Cliff drove [REDACTED] by the scene where [REDACTED] positively identified Eric as the driver of the vehicle. Sgt. Cliff also collected a photograph from another witness, identified as [REDACTED], who was standing near the corner of Sackett Street and 'G' Street when the collision occurred. [REDACTED] took a picture of Eric's vehicle as it fled the scene.

Sgt. Cliff was able to contact the property manager for the building at 130 West Sackett Street, identified as [REDACTED], [REDACTED] stated he could not estimate the amount of damage done to the building but would contact the police when he could determine the cost.

Eric was placed under arrest and seated in the rear passenger seat of my patrol vehicle. Eric was placed in handcuffs that were double locked after being checked for proper fit. While I was completing paperwork Eric's attorney arrived on scene and asked to speak to Eric. I allowed them to speak and stepped away from the vehicle. After several minutes the attorney stated Eric would like to give me a statement regarding what had occurred earlier.

At about 3:40 PM, Eric gave a statement under Miranda Advisement. Eric stated he had been driving to work and was traveling north on 'G' Street. Eric stated he was using his cellphone and did not see the stop sign and continued traveling across Sackett Street and impacted the building. Eric told me he had backed up and fled the scene because he panicked. Eric stated he was sorry for the situation. I concluded my interview with Eric and released him from handcuffs.

I issued Eric Uniform Summons and Complaint #E0002782 for the following charges:

42-4-703(3) (Disregarded/Failed to Stop as Required at) Stop Sign at Through Highway  
42-4-1401(1) Reckless Driving  
42-4-1606(1) Failed to Notify Police of Accident

Eric is summoned to appear in Chaffee County Court on November 16, 2021, at 1:30 PM.

I also issued Eric Affidavit of Probable Cause for Hit and Run Collision and Order of Suspension #H103118. I confiscated Eric's license and issued him a temporary permit. Eric signed the suspension. Eric's vehicle was towed to Bears Towing in Buena Vista, CO.

Attached to this report are digital photographs of the accident scene and vehicle.

This incident was documented on body worn camera by me, Sergeant Lance Cliff, and Deputy Scott Himschoot. The footage has been uploaded to Evidence.com.

On 09/23/2021, I voided the suspension affidavit #H103118 as it did not fit the elements required to suspend Eric's drivers license. I called Eric to inform him of this and will be meeting with him to return the driver's license. On 09/24/2021, I contacted Eric at The Fritz Restaurant and returned his driver's license. Eric signed a receipt for property acknowledging he received it. The receipt is attached to this report.

I contacted the owner of the property management company to determine the owner of the building. The property manager [REDACTED] identified her as [REDACTED] and gave me phone number [REDACTED]. I called [REDACTED] and [REDACTED] advised the lofts were owned individually and the owners combined to form an HOA to govern themselves. The portion of the building damaged by Eric was the lobby to those lofts. [REDACTED] told me the property management company, [REDACTED], would be handling their insurance claim moving forward. I requested [REDACTED] provide me a copy of the insurance estimate when [REDACTED] had it. [REDACTED] agreed and I concluded my conversation with [REDACTED].

There is nothing further to report.
